

Central Ohio
Estate & Tag Sales, LLC

PROFILE

We are a locally-owned business that assists Central Ohioans in liquidating entire or partial estates. While we have operated as COETS for just over one year, we are the same team that worked for a successful estate sale business for several years.

We aren't just about pricing and selling. We create a relationship with the family and provide a respectful sale.

SERVICES

On-site estate/tag sale is a great option if you have a lot of items in a home, garage, or outbuildings. Every item is displayed and tagged for a three-day sale. This is also a good open house opportunity for your property.

Online auction is ideal when you do not have enough items for a live sale, do not want shoppers in your home, or need to liquidate items quickly.

On-site sale AND online auction is the best combination when you want everything gone.

ONLINE AUCTION SERVICES

- Determine items that will be auctioned individually or in a grouping ("lot").

THE AUCTION PROCESS

Auctions are posted to www.auctionohio.com for 5-7 days, where they can be viewed by 30,000+ potential bidders from throughout Ohio and adjacent states. We send you the link to the auction so you can follow its progress.

On the auction closing night, 1 or 2 "lots" will close each minute until all lots are sold.

Winning bidders receive an email with the address and date and time of where they may pick up their items. They may pay online or at the time of pickup.

Items are usually picked up the following day during a three- or four-hour timeframe. Staff are present to give items to buyers or to escort buyers to larger items.

Items that do not sell or which sell but are not picked up may be donated.

We remove all supplies after pickup and mail a check within seven days.

For out-of-town clients, we conduct a video walkthrough to show the condition of the property before we vacate it. We ensure doors and windows are secured.
